

# BX series

## 5-AXIS Machining Center

5-axis machining on medium-large sized work pieces

Full Guarding

Efficient Chip Remove System

Well Protection for Components

User Friendly Design

High Safety Regulation

Compact Floor Space

# BX series

## 5-AXIS Machining Center

5-axis machining on medium-large sized work pieces

Powerful Built-in Spindle

Unique C-axis Design with Side Table Mill & Turn

Unique B-axis Design  
+/-120 degree

5-axis Simultaneously  
Controller

High Accuracy  
Performance

Rigidity Design

# BX series

## 5-AXIS Machining Center
